Our 2nd Annual Regional "Business After Hours"

Tuesday, April 6, 2010

5:30 PM – 9:00 PM

Greenville Drive Stadium / Fluor Field

The business climate is much improved over last year, so our "good news" kickoff must have worked – let's not jinx it!

Come loaded with "Good News" about what's going on in your business and the Upstate?

**Please join us as we kickoff the
2010 "Business is Great in the Upstate"
featuring area businesses "doing great things!"**

- ▶ **Make business contacts across the Upstate** with Chamber members from these areas: Anderson, Clemson, Easley, Fountain Inn, Greer, Greenville, Greenwood, Laurens, Mauldin, Oconee-Pickens, Simpsonville, Spartanburg, and SC Hispanic Chamber.
- ▶ **Promote your good news!** Last year's eleven radio stations will join forces again to donate 14,000 commercials specifically promoting "good news" through the end of the year. Let's thank them for last year and give them plenty to talk about this year!
- ▶ **Wear your baseball cap** for a special treat as the Greenville Drive will be on the field practicing for their first home game of the season.

It's not an April Fool's joke – it's an incredible opportunity!

DON'T BE "FOOLISH" – DO BUSINESS IN THE UPSTATE!
